Real-Time Support For Real Living

EMPLOYEE ASSISTANCE PROGRAM

FEATURES INCLUDE:

- Toll-free, 24/7 telephonic access
- Custom research to find local resources for your specific needs, including, but not limited to:

Emergency Assistance

- Temporary housing
- Domestic violence shelters
- Food banks
- Financial assistance for housing, utilities, remote learning supplies

Service Providers

- Rehabilitation centers
- In-home, post-operative support
- Addiction centers and support

We are living in unprecedent times. And, chances are, you have a lot on your mind. The good news is that you have access to skilled researchers ready to provide support for any work, personal, or everyday matter that's important to you and your family. We'll discuss your request, provide information on options, and then conduct research to find local resources to help you implement your action plan.
